

Robert Menzies College is affiliated with Macquarie University, a university that is a hub of diverse perspectives with new and exciting ideas. We are a Christian College providing a supportive community that cares for students from all cultures, faiths and backgrounds through their educational journey.

Our vision is to see our residents grow into competent community leaders and world citizens with great integrity.

As we nurture each generation through their own educational experience, a new life journey is created. We are their bridge from home and school into a new life.
